

MILKSHAKE MIXER - DESIGN BY BRONWASSER

Designed by Dutch Designer Robert Bronwasser and available in 6 attractive colours.

Make Freddo cappuccinos, Frappés and of course milkshakes without effort.

The housing is made from ABS plastic.

The base is weighted for extra stability and is fitted with rubber feet.

The motor can spin the agitator disc at two speeds, 15.000 and 19.000 RPM.

Control the milkshake mixer with the two-speed switch on the top which is easily accessible.

The milkshake mixer is fitted with a micro switch so it can only operate when the cup is properly placed.

Choose between two different agitators to control the level of aeration.

Very complete, comes with a stainless steel mixing cup (0.95 liter) and polycarbonate mixing cup (0.9 liter) and 2 sets of 2 agitators.

Cups and agitators are dishwasher safe.
