

Wireless TENS TT-10E

Art. No. 23455 | EAN 40 15588 23455 2

2 different electrode pads
for different body parts

APPLICATION | FEATURES

- Promotes blood circulation
- 2 self-adhesive and reusable electrode pads including:
 - 1 large electrode (190 x 95 mm) and
 - 1 small electrodes (74 x 55 mm)
- 10 intensity levels selectable
- 30 min. countdown timer
- Incl. batteries (2 x 1.5V AAA)
- Certified medical device*

TECHNICAL DATA

- Size: 57 x 45 x 16.5 mm
- Weight: 20 g (without batteries) / 42 g (with batteries)
- Size electrode pad small: 74 x 55 mm
- Size electrode pad large: 190 x 95 mm
- Power supply: DC 3.0V, 2 x 1.5V AAA Battery
- Pulse form: Bi-directional square-wave pulse
- Pulse width: 200~250 us ± 10 %
- Output frequency: 2~80 Hz ± 10 % (Hz=vibration per second)
- Output voltage: max. 45 VPP (at 500 Ohm load)
- Output current: max. 80 mA p-p (500 Ohm load)

SCOPE OF DELIVERY

- TT-10E Wireless TENS Device
- 2 x Electrode Pad (small & big)
- 2 x 1.5V AAA Battery
- Instruction Manual

LOGISTICAL DATA

Sales packaging
1 pc | tbd cm | tbd kg
Packaging unit
4 pcs | tbd cm | tbd kg
